TRB Import IV (2024) No. 43

**Notification on the Classification of Products regarding the Anti-Dumping
Case of Pork and Pig By-Products**

EU Delegation to China,

The Ministry of Commerce published the Notice No. 23[2024] and decided to carry out an anti-dumping investigation into the imports of pork and pig by-products originating from the EU as of 17 June 2024. Taking into account factors such as data availability, differences in different parts of pork and pig by-products, the investigation authority now divides the investigated products and like products into 7 categories, namely:

| Category code | Description |
|---------------|--|
| A | Pork carcasses (fresh, chilled or frozen) |
| B | Bone-in pork front leg, pork hind leg and their meat parts (fresh, chilled or frozen) |
| C | Other pork (fresh, chilled or frozen) |
| D | Fat pork or pig fat without lean meat, not refined or extracted by other methods, cold, frozen, dried, smoked, salted or pickled |
| E | Pickled pig intestines (excluding pig large intestine heads) |
| F | Pig liver (fresh, chilled or frozen) |
| G | Other pig offal (fresh, chilled or frozen) |

If any interested party has comments on the above product classification, they may submit their comments to the investigation authority within 5 days from the date of issuance of this notice. Interested parties shall submit electronic version of the comments through the Trade Remedy and Investigation Information Platform (<https://etrb.mofcom.gov.cn>), and at the same time submit the paper version to the Trade Remedy Investigation Bureau. The electronic version and the paper version of the comments shall keep consistent in terms of content and format.
