**Thermal Paper From Spain: Final
Determination of Sales at Less Than
Fair Value**

AGENCY: Enforcement and Compliance,
International Trade Administration,
Department of Commerce.

SUMMARY: The Department of Commerce
(Commerce) determines that thermal
paper from Spain is being, or is likely
to be, sold in the United States at less
than fair value (LTFV) for the period of
investigation, October 1, 2019, through
September 30, 2020.

DATES: Applicable September 30, 2021.

DC 20230; telephone: (202) 482-4554.

SUPPLEMENTARY INFORMATION:

Background

On May 12, 2021, Commerce
published in the **Federal Register** its
preliminary affirmative determination
in the LTFV investigation of thermal
paper from Spain, in which it
postponed the final determination until

September 24, 2021.¹ Although
Commerce invited interested parties to
comment on the *Preliminary
Determination*, no party did so.

Scope of the Investigation

The product covered by this
investigation is thermal paper from
Spain. For a complete description of the
scope of this investigation, *see* the
appendix to this notice.

Scope Comments

In accordance with the preamble to
Commerce’s regulations,² the *Initiation
Notice*³ set aside a period of time for
parties to raise issues regarding product
coverage (*i.e.*, scope).⁴ On May 5, 2021,
Commerce issued the Preliminary Scope
Decision Memorandum.⁵ We received
scope comments from interested parties,

Affirmative Determination of Sales at Less Than
Fair Value, Postponement of Final Determination,
and Extension of Provisional Measures*, 86 FR
26003 (May 12, 2021) (*Preliminary Determination*),
and accompanying Preliminary Decision
Memorandum.

Final Rule*, 62 FR 27296 (May 19, 1997).

Than-Fair-Value Investigations*, 85 FR 69580

Preliminary Scope Decision,” dated May 5, 2021

which we addressed in the Final Scope Decision Memorandum.⁶ Commerce did not modify the scope of this investigation since the *Preliminary Determination*.

Verification

Because the sole mandatory respondent in this investigation, Torraspapel S.A., did not respond to sections B–D of Commerce’s antidumping duty questionnaire, Commerce reached the *Preliminary Determination* entirely on the basis of facts available with the application of adverse inferences (AFA). As such, because the *Preliminary Determination* was based entirely on AFA, we did not conduct a verification.

Use of Total Adverse Facts Available

Pursuant to sections 776(a) and (b) of the Tariff Act of 1930, as amended (Act), because Torraspapel S.A., did not respond to sections B–D of Commerce’s antidumping duty questionnaire, we have continued to assign it the highest dumping margin alleged in the Petition, which is 41.45 percent.⁷ As explained in the *Preliminary Determination*, at initiation we found the 41.45 percent Petition dumping margin to be both reliable and relevant.⁸ Therefore, we corroborated the rate. No interested party commented on our decision to apply this rate to Torraspapel S.A.

All-Others Rate

Section 735(c)(5)(A) of the Act provides that the estimated weighted-average dumping margin for all other producers and exporters not individually investigated shall be equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding dumping margins that are zero, *de minimis*, or determined entirely under section 776 of the Act (facts available). Pursuant to section 735(c)(5)(B) of the Act, if the estimated weighted-average dumping margins established for all of the exporters and producers individually examined are zero, *de minimis* or determined based entirely

on facts available, Commerce may use any reasonable method to establish the estimated weighted-average dumping margin for all-other producers or exporters not individually investigated.

Commerce determined the estimated weighted-average dumping margin for Torraspapel S.A. entirely under section 776 of the Act. Consequently, pursuant to section 735(c)(5)(B) of the Act and Commerce’s practice under these circumstances, we assigned a dumping margin to the “all-others” companies equal to the simple average of the dumping margins from the Petition.⁹ For a full description of the methodology underlying Commerce’s analysis, see the Preliminary Decision Memorandum.

Final Determination

The final estimated weighted-average dumping margins are as follows:

Exporter/producer	Estimated weighted-average dumping margin (percent)
Torraspapel S.A.	41.45
All Others	37.07

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with a final determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice

⁹ See, e.g., *Notice of Preliminary Determination of Sales at Less Than Fair Value: Sodium Nitrite from the Federal Republic of Germany*, 73 FR 21909, 21912 (April 23, 2008), unchanged in *Notice of Final Determination of Sales at Less Than Fair Value: Sodium Nitrite from the Federal Republic of Germany*, 73 FR 38986, 38987 (July 8, 2008), and accompanying Issues and Decision Memorandum at Comment 2; *Notice of Final Determination of Sales at Less Than Fair Value: Raw Flexible Magnets from Taiwan*, 73 FR 39673, 39674 (July 10, 2008); *Steel Threaded Rod from Thailand: Preliminary Determination of Sales at Less Than Fair Value and Affirmative Preliminary Determination of Critical Circumstances*, 78 FR 79670, 79671 (December 31, 2013), unchanged in *Steel Threaded Rod from Thailand: Final Determination of Sales at Less Than Fair Value and Affirmative Final Determination of Critical Circumstances*, 79 FR 14476, 14477 (March 14, 2014); Petitioners’ Letter, “Petitions for the Imposition of Antidumping Duties on Imports of Thermal Paper From Germany, Japan, Korea, and Spain,” dated October 7, 2020 at Volume V; Petitioners’ Letter, “Response of Petitioners to Volumes I–V Supplemental Questionnaires: Thermal Paper from Germany, Japan, Korea, and Spain,” dated October 16, 2020 at section “Petitioners’ Responses to Supplemental Questions Regarding Volume V”; and Checklist, “Enforcement and Compliance Office of AD/CVD Operations Antidumping Duty Investigation Initiation Checklist: Thermal Paper from Spain,” dated October 27, 2020.

of final determination in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce applied AFA to the mandatory respondent in this investigation, Torraspapel, S.A., in accordance with section 776 of the Act, and the AFA dumping margin is based solely on the petition, there are no calculations to disclose.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, Commerce will instruct U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all appropriate entries of thermal paper from Spain, as described in the appendix to this notice, which were entered, or withdrawn from warehouse, for consumption on or after May 12, 2021, the date of publication in the **Federal Register** of the affirmative *Preliminary Determination*.

Pursuant to section 735(c)(1)(B)(ii) of the Act and 19 CFR 351.210(d), we will instruct CBP to require a cash deposit for such entries of merchandise equal to the following amounts: (1) The cash deposit rate for Torraspapel S.A is equal to the company-specific estimated weighted-average dumping margin listed for Torraspapel S.A in the table in the “Final Determination” section of this notice; (2) if the exporter is not identified in the table in the “Final Determination” section of this notice, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin for the producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters in Spain is equal to the all-others estimated weighted-average dumping margin listed in the table in the “Final Determination” section of this notice.

These suspension-of-liquidation instructions will remain in effect until further notice.

International Trade Commission Notification

In accordance with section 735(d) of the Act, we will notify the International Trade Commission (ITC) of this final affirmative determination of sales at LTFV. Because Commerce’s final determination is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports or sales (or the likelihood of sales) for importation of thermal paper from

Spain no later than 45 days after this final determination. If the ITC determines that such injury does not exist, this proceeding will be terminated, and all cash deposits posted will be refunded and suspension of liquidation will be lifted. If the ITC determines that such injury does exist, Commerce will issue an antidumping duty order directing CBP to assess, upon further instruction by Commerce, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation, as discussed above in the "Continuation of Suspension of Liquidation" section of this notice.

Notification Regarding Administrative Protective Order

This notice will serve as a final reminder to the parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).
