APPENDIX 4A - TOTAL COST OF GOODS - EXPORT SHIPMENTS TO CANADA

(This appendix is in reference to questions D22 to D29 of the RFI)

The following chart must be completed for all models of subject small power transformers exported to Canada during the POI.

Refer to the "Column Descriptions for Appendices" section at the end of the RFI for an explanation of the information required in each column.

The costing information requested should be presented in a format that includes all costs and is reconcilable to your company's own financial records.

The suggested format may be modified to conform to your own financial records.
