

## Notice of the Distribution of the Questionnaire on the Expiry Review of the Anti-dumping Investigation of Halogenated Butyl Rubber

On 16 August 2023, the Ministry of Commerce published the Notice No. 31 of the year and decided to initiate an expiry review investigation on the anti-dumping measures against the imported Halogenated Butyl Rubber from the USA, EU, UK and Singapore. According to the Anti-dumping Regulation of the People's Republic of China, the investigation authority notifies the related information of the questionnaire.

There are 3 types of questionnaire of this case respectively for foreign exporters or producers, domestic producers, and domestic importers (see annex). The requirement of the questionnaire, the way of submission and deadline can be found in the respective questionnaire.

Exporters and producers shall fill in the questionnaire for foreign exporters and producers accordingly; domestic producers shall fill in the questionnaire for domestic producers accordingly; and domestic importers shall fill in the questionnaire for domestic importers accordingly.

The relevant stakeholders should fill in and submit the completed and accurate questionnaire within 37 days. In case of situation of the Article 21 of the Anti-dumping Regulation, the investigation authority will make determination based on the facts already gained and the best information available.

The questionnaires can be downloaded at the website of the Trade Remedy and Investigation Bureau Mofcom (<http://trb.mofcom.gov.cn>) or China Trade Remedy Information Platform (<http://www.cacs.mofcom.gov.cn>). You should also submit a paper copy of the questionnaire at the same time, as requested by the investigating authority. The electronic and paper versions should be identical in content and consistent in format. In case there are any questions during the distribution of the questionnaire, interested parties could consult the investigation authority.
